Southern California

# PROGRAM SCHEDULE

## MONDAY, NOVEMBER 6

TCC 227

DATE / SESSION TITLE

TARGET AUDIENCE

11:00AM -11:50AM

Undergraduates

### Research and Fellowships 101

What is research? What is a fellowship? This presentation will offer an introduction to undergraduate research at USC and explain how research experience can be an asset when applying for competitive fellowships such as the Rhodes Scholarship and Fulbright U.S. Student Program.

12:00PM -12:50PM

Freshmen, Sophomores

### Warren Bennis Scholars Program

The Warren Bennis Scholars Program is a two-year, honors leadership development experience for USC undergraduate students from all academic disciplines, who manifest high leadership potential and a passion for serving society. Each year, approximately 20 students are invited to begin the program in the fall semester of their junior year.

1:00PM - 1:50PM

Juniors, Seniors and Early Career PhDs

### Focus on the Ford F Fellowships

The Ford Fellowship seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity. In this session, Dr. Rhacel Salazar Parrenas, USC Professor of Sociology and Gender Studies and Regional Ford Liaison will provide an overview of Ford Foundation opportunities that are available to traditionally underrepresented students.

2:00PM - 2:50PM

PhDs

### External Fellowships for PhD Students in the Humanities and Social Sciences

A panel of funded PhDs will discuss opportunities and tips.

## TUESDAY, NOVEMBER 7

TCC 227

12:00PM -12:50PM

Undergraduates, Master's

### Knight-Hennessy Scholars

The Knight-Hennessy Scholars Program provides full funding for graduate study at Stanford University, with the goal of developing a new generation of global leaders.

1:00PM - 1:50PM

Juniors, Seniors and Early Career PhDs

### Focus on the NSF Graduate Research Fellowship Program

The NSF GRFP recognizes outstanding graduate students in NSF-supported science, technology, engineering, and mathematics disciplines who are pursuing research-based master's and doctoral degrees at accredited United States institutions.

2:00PM - 2:50PM

Postdoctoral Scholars, PhDs, Doctoral and Master's Students

### USC Stevens Center for Innovation

Staff will present an introduction to working with USC Stevens and cover university intellectual property policies.

## WEDNESDAY, NOVEMBER 8

TCC 302

11:00AM -11:50AM

Undergraduates, Master's, PhDs

### Rotary Global Grant

Rotary Global Grants are used to fund graduate level study as well as sustainable, measurable, and needs-based community service projects related to one of six areas of focus.

12:00PM -12:50PM

Undergraduates (U.S. citizenship required)

### Boren Scholarship

The Boren Scholarship provides funding to study less commonly taught languages for at least six months in world regions critical to U.S. interests. Applicants should have an interest in national security and working for the federal government for at least one year after graduation.

1:00PM - 1:50PM

Postdoctoral Scholars and PhDs

### Postdoc Funding Opportunities Workshop and Information Session

This session will cover postdoc funding opportunities, grant writing techniques, and tips from recent award recipients.

2:00PM - 2:50PM

PhDs

### USC Advanced PhD Fellowships

The USC Graduate School will discuss competitively awarded fellowships for students who have successfully completed the first year of their PhD program.

## THURSDAY, NOVEMBER 9

TCC 227

12:00PM -12:50PM

Undergraduates, Master's

### Focus on Asia: Research, Intern and Study Abroad

Staff from the East Asian Studies Center and Academic Honors and Fellowships will discuss FLAS, Luce and Schwarzman Scholarships among other funding opportunities to support your studies in Asia.

1:00PM - 1:50PM

International PhDs

### Fellowships for International PhD Students

Staff from the Graduate School will discuss funding available to international PhD students.

1:00PM-2:30PM \*Location: HSC campus in NRT 503/504

Postdoctoral Scholars and PhDs

### Postdoc Funding Opportunities Workshop and Information Session

This session will cover postdoc funding opportunities, grant writing techniques, and tips from recent award recipients.

3:00PM - 3:50PM \*Location: HSC campus in NRT 503/504

PhDs

### External Fellowship Opportunities for PhDs in Health Fields

A panel of funded PhDs will discuss opportunities and tips.

## FRIDAY, NOVEMBER 10

TCC 302

11:00AM -11:50AM

Undergraduates, Master's, PhDs, (U.S. citizenship required)

### Fulbright U.S. Student Program

The Fulbright U.S. Student Program provides funding to carry out a research project, graduate study or teach English for an academic year in over 140 countries outside of the United States.
